## IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Docket No.: JP920000039US1 In re application of: Hiroyasu Takahashi Group No.: Serial No.: Examiner: Filed: Herewith For: IMAGE PROCESSING METHOD, RELATIVE DENSITY DETECTING METHOD AND IMAGE PROCESSING APPARATUS Assistant Commissioner for Patents Washington, D.C. 20231 **EXPRESS MAIL CERTIFICATE** Express Mail Label Number <u>EL847583371US</u> Date of Deposit April 25, 2001 I hereby certify that the attached paper or fee Patent Application Transmittal Letter (original and one copy) Patent Application Under Rule 1.53(f) (Missing Parts) Unsigned Declaration and Power of Attorney Drawings (9 Sheets) Japanese Patent Application Number 2000-126707 Return Postcard is being deposited with the United States Postal Service "Express Mail Post Office to Addressee" service under 37 CFR 1.10 on the date indicated above and is addressed to the Assistant Commissioner for Patents, Washington, D.C. 20231. Barbara A. Miuccio (Name) Each paper must have its own certificate and the "Express Mail" label number as a part thereof or attached Note: thereto. When, as here, the certification is presented on a separate sheet, that sheet must (1) be signed and (2) fully identify and be securely attached to the paper or fee it accompanies. Identification should include the serial number and filing date of the application as well as the type of paper being filed, e.g. complete application, specification and drawings, responses to rejection or refusal, notice of appeal, etc. If the serial number of the application is not known, the identification should include at least the name of the inventor(s) and the title of the invention. The label number need not be placed on each page. It should, however, be placed on the first page of Note: each separate document, such as, a new application, amendment, assignment, and transmittal letter for a fee, along with the certificate of mailing by "Express Mail". Although the label number may be on checks, such a practice is not required. In order not to deface formal drawings it is suggested that the label number be placed on the back of each formal drawing or the drawings be accompanied by a set of informal

drawings on which the label number is placed.
